

QUADRASAN®

URINAL / W/C AUTOMATIC CLEANING
AND DOSING SYSTEM

Features and Benefits

- **Fully programmable dispenser** – choice of start and end time, choice of dosing frequency.
- **Patented “I.P.E.™” facility** enables users to program up to 3 periods per day of increased dosage in times of high footfall.
- **Smart chip technology** automatically calculates days in use and refill life.
- **Part of co-ordinated range** of dispensers.
- **Rental button** for quick set up if required (30, 45 or 60 days.)
- **Lockable dispenser** for added security.
- Saves expensive blockages.
- **Cleans, sanitises, and inhibits build up of uric acid salts** - ideal for all commercial washrooms and toilet areas. Particularly suitable for high footfall areas.

“Continuous maintenance.
Customised programming. Total control.”
