Description

Kit for cleaning Floors, Furniture & Windows, Bathrooms, HACCP- Kitchen Equipment.

Includes:

- Infyniti Kiss - A maintenance detergent with low residues. It is indicated for daily maintenance of all washable surfaces. especially shiny floors.
- Infyniti Eis - A self-drying multi-purpose cleaner for all washable surfaces. It removes halos, grease, pen, pencil, stamps, and felt tip. Rinse free.
- Infyniti Elkan - A citric acid-based detergent suitable for daily cleaning of washbasins, taps, sanitary fittings, showers and ceramic tiles. It removes calcareous residues mixed with soap. It is fast drying and when used following the proper method it is delicate on metal surfaces.
- Infyniti Multifood - A degreaser effective on both animal and vegetable greases. Indicated for slicers, hoods, worktops, pans, deep friers and very dirty floors. Suitable for use in canteens, restaurants, supermarkets, food-processing industry, slaughterhouses and plants for meat/fish processing. Suitable for use on aluminium.
- Infyniti Sprint Day - A sanitising degreaser widely used in the food-processing sector, hospitals and nursing homes, as well as in offices. It removes light oils, grease, ink and fingerprints. Quick drying thanks to its alcoholic component.
