Description

Pack Includes:

- **Aluminium Telescopic Handle:**

-Lightweight and strong telescopic handle with new ergonomic grip

-Designed to avoid repetitive strain injury

- **Speedy Wet Mop Frame:**

-Speedy frame is used for floor wet mopping, cleaning walls, ceilings and tread boards

-Comes with lock joint

-Fits all mop heads with flaps

- **Mop EMR30 with Tabs:**

-Washing, scouring and sanitising of floors, walls and ceilings

-Similar to Micro-Gliss Mop with added mechanical action for in-depth removal of grease marks

-Reinforced weft to have a better wash resistance (up to 1000 times)
